HOW TO USE THE UNION CATALOG

This catalog includes the periodical holdings of the subject departments of the San Francisco Public Library, Main Library, Civic Center; the Business Branch Library, 530 Kearny Street; and the following Peninsula libraries: San Mateo County Library System, San Mateo County Public Health and Welfare Library, Daly City Library, San Mateo Public Library, Redwood City Public Library, Burlingame Public Library, San Bruno Public Library, San Mateo Educational Resources Center, San Mateo County Law Library, and the College of San Mateo Library. Holdings for branches of the Peninsula libraries are included only if they supplement the holdings of the main county or city library, or if the title is located in the branch only.

Listing is alphabetical by title with newspapers listed separately in the blue section at the end of the catalog. Immediately below the title and descriptive notes are the holdings for San Francisco Public Library indicated by SFPL. The column to the right of the title shows the subject department in which that title is located and the call number. These locations and call numbers refer to San Francisco Public Library only. When a row of asterisks is printed beneath the SFPL holdings, it is followed by the Peninsula Library holdings with symbols to indicate the name of the library. A list of these libraries and their symbols appears on page iii.

Periodicals are listed under the latest title with "see" references from earlier titles. Journals, transactions, bulletins, proceedings, etc. are listed under the name of the organization which published them unless they have a distinctive title, in which case they are entered under it. A selection of government documents, annuals, symposiums, and yearbooks is included.

Holdings statements are brief, with no abbreviation for "volume" before the volume numbers, and with months abbreviated to two letters. If the publication is in any medium other than paper, e.g. microfilm, this is indicated. An explanation of the symbols and abbreviations used in the catalog is given on page ii. The statement "CIRCULATING ISSUES ALSO AVAILABLE" means that issues of the past 6 months may be charged out. Where no holdings statement is shown, it should be assumed that the title is on order, and you may check with the subject department to see whether issues have arrived.

For information about the Peninsula Loan policies, see page iv.
